

# Voter organized Referendum Nov 2022

Do you wish to permit candidates and political parties to win elections by passing state laws that prevent their political opponents from voting?

Are you for or against voter suppression?

Check one below:

FOR:  YES Vote for Republicans in November 2022.

AGAINST:  NO Vote for Democrats and others but not Republicans.

I support America first, my political party later. I want voting to be convenient for all of my neighbors and fellow citizens.
